

Turtle Dolphin Dreams (Paperback)

By K. Marian Volkman

Loving Healing Press, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What if we shared planet Earth with other intelligent species? What if inter-species communication were really possible? Seek out some answers in Turtle Dolphin Dreams An extremely unusual work of fiction in which three creatures, a turtle, a dolphin and a human link minds through dreams to bring a unique perception of the world. Most of the narration is by the Turtle, via the human and Dolphin s voice comes through both turtle and human, yet somehow this strange book hangs together and holds the reader s attention. Turtle wonders why humans identify so closely with our family and friends that their every action affects us, perhaps bringing deep joy or deep pain. Turtles view each life as an egg - overlapping and separate. They have developed the ability to link thoughts with others of their kind during the dream state of the annual hibernation. Somehow they recognise family and friend with whom they have no real contact during the wakeful summer, other than the brief mating season. Eggs are laid and left to hatch alone. The parents have no contact...
