Outskirts Press, United States, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Why is it that some people are more effective then others? What force seems to get some to leap to the head of the pack while others seem are always being left behind? The answer is The Seventh Sense: the Key to Your Effectiveness in Life and Business. For the first time ever you will have revealed to you the inner workings of this special faculty that each of has and yet some seem to possess in abundance. When you first discover the Seventh Sense you will learn what it is and how others seemed to harness it s power so that they can achieve what seems to be nearly limitless goals. Reading this book will equip you with a series of exercises that will allow you to tap into this secret power to help you to confront difficult situations, develop meaningful goals that get realized. You will learn how to overcome obstacles known, unknown, real and merely perceived. You will find yourself becoming the go to person in whatever organization you work in and the person who gets noticed for what they actually do as opposed to what they say they are going to do. The Seventh Sense will change your life in ways you never suspected were possible.
