No. 111.--At the command, Second--Position, the student will take the position of Fig. 48. No. 112.--The movements of this Flq-47 position correspond to those of No. 110; but the eight motions from the right side are made by throwing the arms up, as represented by the dotted part of Fig. 48. Eight corresponding upward motions are made from the left side, the motions to recover the commencing position being unaccented. These are the motions of a chopper, who is chopping into a tree as high as possible above his head. Third Position. No. 113.--At the command, Third--Position (Sawing), the student will take the position of Fig. 49, in which the body is bent slightly forward, inclining to the right, and principally supported on the right foot; the arms are bent at the elbows, and the left fist is held higher than the right,...
