NITRIC OXIDE ASSOCIATED PROTEIN (NOA) IN PEA (PISUM SATIVUM L.)

Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Physiological and Molecular Analyses During Bacterial Infection | Nitric oxide synthase (NOS) activity was detected in pea leaf extracts using citrulline formation assay. Total protein extraction method was modified based on biochemical activities such as the use of protease inhibitors, pH and precipitation with salts and organic solvents. Physiological aspects such as the effects of various chemicals that induce systemic resistance in plants on NOS activity and immunodetection of a NOS-like protein...
