

How Santa Discovered the Elves (Paperback)

Filesize: 1.32 MB

Reviews

An extremely wonderful book with perfect and lucid information. This can be for all those who statte there had not been a really worth reading through. Its been written in an exceptionally easy way and it is only after i finished reading this ebook in which actually modified me, alter the way i really believe.

HOW SANTA DISCOVERED THE ELVES (PAPERBACK)

Lulu Publishing Services, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Many, many years ago, Santa was building his winter wonderland. He knew he needed help to make Christmas special for every child in the world, but he didn't know where to get it. Santa talked to his animal friends because they traveled far and wide and would be familiar with the creatures living near the North Pole. He asked the walruses, the birds, and the bears, and they knew of some wee people (elves), who loved to sing, play, and make things. Santa traveled past Aurora Falls, over Tinsel Glacier, and to the Moose Tree Forest to find the elves. He asked them if they would like to help, and they jumped for joy to be part of Santa's toy-making dream. The elves discovered the wonder of Santa's toy land, how the reindeer gained flight, and how Santa fit all those packages into one bag. This picture book for children, by author R.J. Hastings, shares the stories of Santa and how his elves became a special part of his family.
