

Myanmar: Burma in Style

By Courtauld, Caroline

Odyssey Publications, Hong Kong, 2012. Condition: New. 2012. 1st Edition. Paperback. An isolated and remote country, unspoiled by mass tourism, Myanmar aka Burma is for the curious traveller, not the average tourist. This book takes you on a tour of Burma from the great Ayeyarwady River to Kipling's Mandalay, the last of Burma's royal capitals. It also explores the exotic Inle Lake whose inhabitants live on floating islands. Num Pages: 376 pages, colour photos, maps & illustrations. BIC Classification: 1FMB; WTH. Category: (G) General (US: Trade). Dimension: 204 x 143 x 22. Weight in Grams: 688.

Reviews

I actually started out reading this article ebook. This is for those who statte that there had not been a worth reading. Its been developed in an extremely easy way and it is just after i finished reading this book in which in fact modified me, change the way i really believe.

-- Antonetta Ritchie IV

I actually started reading this publication. It is full of knowledge and wisdom You wont sense monotony at at any time of your respective time (that's what catalogs are for relating to should you check with me).
