Excerpt from Technical Conference of State Utility Commission Engineers: Held at the Bureau of Standards, Washington, D. C., March 2 and 3, 1923 In connection with the revision of the National Electrical Safety Code, representatives from seven State commissions visited the bureau in December, 1922. This Opportunity was taken to hold an informal meeting to consider the best method of procedure for calling a larger conference. In accordance with decisions then reached, ar rangements were made for a general conference of State commission Engineers to be held at the Bureau Of Standards. This conference met March 2 and 3, 1923, and its proceedings are herein reported. In abbreviated form. It is hoped that this partial report will serve to give a wider usefulness to the important papers presented at the conference.
