Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Suggestions for the Care and Use of Pamphlets and Clippings in Libraries In the commercial centers, an effort to bring this material into immediate and practical use has resulted in the development of the so-called Special Library, that is, the libraries are classified as well as the materials of which they are constituted. In New York City alone, there are in the neighborhood of 260 libraries which come under the designation Special. This in non-library language means that each of the 260 organizations, representing every phase of commercial, financial, technical and social endeavor, has found that a private library in which the literature of its own and allied subjects is arranged with a view to immediate usefulness, is an asset worth maintaining, and that a trained librarian is the surest way to reach this consummation with the least waste of time and effort. The special library is designed to meet the needs of a definite group of people having a common interest, which fact naturally limits the scope of the collection. On the other hand,...
