

## State Level Reforms, Growth, and Development in Indian States (Hardback)

By Professor of Economics Arvind Panagariya, Professor Pinaki Chakraborty, Director M Govinda Rao

Oxford University Press Inc, United States, 2014. Hardback. Book Condition: New. 236 x 157 mm. Language: English . Brand New Book. Most discussions of India s substantive economic growth since the 1990s tend to focus on national level statistics or on particular sectors such as the financial and call service sectors or on the pharmaceutical industry. But with a population of 1.2 billion, India demands to be treated like a collection of individual countries, rather than a unified nation. Ten of its states have populations equaling or exceeding that of the United Kingdom. If the state of Uttar Pradesh were a country, it would be the fourth largest, behind China, India, and the United States. These facts pointedly tell us that if we are to understand the ongoing experiment in economic reforms and poverty alleviation, we must study India at the level of the state. In this spirit, State Level Reforms and Growth and Development in Indian States provides the first-ever comprehensive analysis of growth at the highly diverse state level. The authors argue that when the national government loosened its stronghold on industry and services, state governments were able to shape the fortunes of their citizens through state-level policy...

### Reviews

*This is actually the finest ebook i have got study till now. I actually have go through and that i am sure that i am going to likely to read once again once again later on. Its been developed in an extremely straightforward way and is particularly simply soon after i finished reading through this ebook through which actually modified me, change the way i really believe.*
