C69 2006n OCLC Number: (OCoLC)74745314 Subject: Transportation accidents -- Investigation -- United States. Excerpt: . . . 13 ations, including internal accounting and administrative control systems, (2) information management and security, including privacy protection of personally identifiable information, (3) resource management, (4) workforce development, (5) procurement and con-tracting planning, practices and policies, (6) malfeasance in office by Board employees and contractors, and (7) allegations of false statements, fraud, and other criminal activity within the jurisdic-tion of the Board. The IGs authority would exclude direct involvement or oversight in specific accident investigations, and the IG also would be re-quired to consult closely with the Senate Committee on Commerce, Science, and Transportation and the House Committee on Trans-portion and Infrastructure and the NTSB on its on-going inves-tigations. In addition, as part of the NTSB Amendments Act of 2000, the NTSB is required to reimburse the DOT IG for costs associated with the review authority of the DOT IG. This reimbursement provision is removed with the understanding that the DOT IG would be funded directly for these activities. Section 7. Audit procedures. This section would require the NTSB, in consultation with the DOT IG, to continue to develop and implement comprehensive in-ternal audit controls for its operations, which must address Board asset management systems, including systems for accounting man-agement, debt collection, travel, and property and inventory man-agement and control. Section 8. DOT IG to investigate Central Artery project contractors and oversight agencies. This section would require the DOT IG to investigate the con-tractors involved in the development and construction of the Cen-tral...
