FROM HELL TO HEAVEN TO HELL

James E. Grundy, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Inside the pages of this book you will discover a captivating man s story of life growing up poor in West Virginia. The son of a coal miner, drifting after graduation trying to find his way in the world, moving with his family back to the State of Texas and leaving behind the girl he planned to marry. Life for him was tough and only one could imagine how in the world one person could encounter the difficulties that seemed to follow him wherever he went. The breakup of his first love, the ended romance in Texas, he could take no more, leading him to join the Marines for a life of hell that would cause the injuries that he lives with today. Returning home, drifting and trying to become successful in life, using his fist as an amateur boxer, managing to win the West Texas Golden Gloves Championship. Beating the odds was nothing for this man because he fought them his entire life. Something you only see in movies? No, not this man. They say he has lived the life of twenty men. From being poor to working his way up in the business world of sales he would own and operate several retail businesses that would make him a millionaire. Pain and hunger, love and divorces, poor then wealthy, romance and heartache, sexual assaults and murder, custody battles that granted him full custody of two children and co-custody of one.enough, not a chance the story has just begun. What you read in this book you will not believe happened,...
