The Human Body in Minutes (Paperback)

By Tom Jackson

Quercus Publishing, United Kingdom, 2017. Paperback. Condition: New. Illustrated edition. Language: English . Brand New Book. A concise and illuminating tour of the human body - learn about how our bodies work and why they work the way they do, in minutes. From the basic unit of the cell, through the tissues and organs that make up the body's systems, to how these systems work together to form a complete human being, this book takes you on a journey through our anatomy and its intricate workings - and looks beyond to explore human evolution, inheritance and genetics, human behaviour, disease, death and medicine and how technology will transform the body of the future. With 200 cutting-edge anatomical images, cross-sections and close-ups that detail and explain the brain, eye, heart, skin, skeleton, lung, kidney, ear, blood, liver, stomach, muscles, veins, arteries, DNA, chromosomes and all of the key features of our bodies, this is the perfect, easy reference to the anatomy, physiology and science of the human body.

Reviews

This type of publication is almost everything and helped me looking forward and much more. I am quite late in start reading this one, but better then never. You wont really feel monotony at whenever you want of your own time (that's what catalogs are for relating to if you ask me).
