

The ECU and European Monetary Integration (Hardback)

By -

Palgrave MacMillan, United Kingdom, 1988. Hardback. Condition: New. 1989 ed.. Language: English . Brand New Book ***** Print on Demand *****. The creation of the ECU in 1979 as part of the newly established European Monetary system was greeted with widespread scepticism, few predicted the success it would have in private financial markets. The macroeconomic and microeconomic implications of the ECU and its significance for monetary integration in Europe are considered by a variety of contributors from academics to those in banking circles. Current research is examined and the theoretical and empirical aspects of the emergence of the ECU as a vehicle for European policy-making are considered to provide insights as to its future development.

Reviews

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
