My First Book Of Baby Animals (National Wildlife Federation)

By National Wildlife Foundation

Charlesbridge Publishing, U.S., United States, 2014. Board book. Condition: New. Language: English . Brand New Book. A sweet tiger cub, padding softly on its paws across the ground. A little lion getting its head nuzzled by mama as they soak in the sun. Two young kangaroos--joeys--at play. An infant chimpanzee, clinging lovingly to its mother's back. Nothing's more irresistible than an animal baby, and with these magnificent photos, kids can meet the cutest ones of all, and their families, too. From two fox kits climbing on logs, to an adorable baby bunny, to a trio of polar bears huddling close to stay warm, to penguins, polar bears, eaglets, and foals, these precious creatures will fascinate human cubs --and entice them to look at the pictures over and over again.
