

## Building By-Laws in Rural Districts (Classic Reprint) (Paperback)

By William Chance

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Building by-Laws in Rural Districts The paper which serves as an Introductory to this little book was read at a meeting of the British Constitution Association in London on December 19, 1913. It occurred to me that it might serve a useful purpose to publish it together with the text of a Bill on the subject, which passed through the House of Lords without any opposition whatever in 1906, and with a revised Code of Building By-laws for Rural Districts, both Bill and Code being now out of print. The latter was drafted by an experienced and well-known architect and seemed to many people to be a great improvement in many ways on the existing Rural Code of the Local Government Board. In order to make the differences between the two Codes easily intelligible I have added to the text those clauses of the existing Model which are omitted altogether in the Revised Code or substantially altered by it.
