Most eighteen year old girls entering college hope to win the heart of at least one handsome boy. College freshman Harper Cunningham has earned the attention of not one, but two upper classmen: Caleb and Ryan - both eager to earn her affection in return. Not long into her romances, Harper realizes she s being stalked by a secret admirer. Hidden notes in her locked dorm room, footsteps behind her on campus and even her name set on fire in the middle of the quad are just some of the feats he goes to in the hopes of getting Harper to notice him. Little does Harper know that before it s all over, one of them will be named the Sweetheart Strangler - a serial killer notorious for stalking and killing half a dozen college females. Is it Caleb? Ryan? Or someone who s managed to keep their identity a secret. Between lack of sleep, sheer terror and medication meant to calm her nerves, Harper begins having difficulty separating her dreams from reality. Who can she count on and who poses a serious threat to her safety? Will Harper make the right choice? Because her sanity - and her life - may depend on it.
