Reviews

Completely essential read through publication. It normally does not expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Morris Cruickshank)

YOU DONT REPRESENT US - ANSWERING OCCUPY WALL STREET

Createspace. Paperback. Book Condition: New. This item is printed on demand. Paperback. 312 pages. Dimensions: 9.0in. x 6.0in. x 0.7in. This book is the black and white version of the same title. The Occupy Wall Street movement accused the Top 1 of the population, of many serious wrong doings and greed. The Top 1 is accused of not paying their dues, taking more than they supposed to from the rest of the population and ignorantly leave everyone to suffer. What are the truths In their usual style, the authors jumped right in, without any prejudice and biasness, in unearthing the real truth. The authors analyzed income and wealth data from reliable sources, compared them to the Occupiers own data and spotted differences, things that were never mentioned and probably be left behind for a purpose. Find out for yourself, whether it is true, that the rich is getting richer while the poor is getting poorer, or is it a complete lie. The authors will show how successful America had become, and they will reveal the real situation to lift your spirit up. This book is a spin-off of the extensive and very animatic book series 259 Trillion Vs 5 Trillion which is nearing its final book release. In this book, you will find unusual but remarkable explanations never before mentioned by any economist. Below are some of the topics presented: STATISTICAL PERPLEXITY OF USING TOP-1 AND BOTTOM-99 IMAGINARY LINES ILLOGICALITY OF RICH GETTING RICHER AND POOR GETTING POORER THE TOP 1 IS A DYNAMIC PLACE (SO IS THE BOTTOM 99) CLASSES WITHIN CLASS WHY CURRENT COMPARISON METHODS ARE VERY ERRONEOUS BEST WAY TO COMPARE INCOME HIDDEN STATISTICS BIGGEST CONTRIBUTOR TO TAXES WHY THE BOTTOM MOST CLASS INCOME EARNERS IN THE IRS DATA MAY BE RICHER THAN WE THINK CONUNDRUM THAT ISNT...
