

Gravely Dead: A Carly Keene Cozy Mystery (Paperback)

Filesize: 5.24 MB

Reviews

It is just one of the most popular ebooks. It is written in simple words and not confusing. I am just happy to tell you that this is actually the finest ebook I have ever read in my very own existence and may be the greatest ebook for all time.

GRAVELY DEAD: A CARLY KEENE COZY MYSTERY (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Carly Keene doesn't go looking for dead bodies, but they just sort of turn up anyway. When Parker's Mill's favorite photographer, Carly Keene, and her best friend, Shell, find a dead body that's NOT supposed to be in the local graveyard, Carly takes it upon herself to track down the killer. It won't be easy, because the corpse in question, a local judge, had more enemies than she can shake a stick at. Did Carly's favorite high school art teacher really kill the judge in a fit of rage? Or was the not-so-grieving widow to blame for the man's untimely demise? Perhaps the dapper newcomer with a British accent had a hand in the gruesome murder? Carly and her best friend Shell are determined to get to the bottom of the mystery, with help from Brandon, her hunky police officer cousin, before the killer can hurt anyone else in the sleepy little town. But first, she has to figure out why strange things are happening in her house while she sleeps, and get Shell to admit her feelings for the local diner owner. Plus, there's her slowly simmering relationship with Tucker to see to. It's more than enough to make her head spin, but Carly's going to make sure that justice is served just as sweetly as a piece of Shell's famous chocolate cake. Dead Before the Wedding was the first adventure for amateur sleuth Carly Keene. be sure to read it first so you'll know all about the quirky characters living in Parker's Mill!.
