## Migration, Intercultural Identities and Border Regions (19th and 20th Centuries) / Migration, identités interculturelles et espaces frontaliers (XIXe et XXe siècles) (Paperback)

By -

Presses Interuniversitaires Europeennes, Belgium, 2012. Paperback. Condition: New. New edition. Language: French,English . Brand New Book. In a globalized world, discussions about migration and (inter)cultural identity call for a thorough analysis of the way in which people shape their cultural self-understanding. A comprehensive insight into these themes requires a study of the long-term development of migrants and the multi-faceted historical perspective of the context of migration. The book brings together a unique combination of academic reflections and research findings on migration in the fields of cultural history, history of education and comparative literature, focusing especially on the dimensions of intercultural identity and border regions. It broaches a largely unexplored, yet promising, academic area of hybrid investigation that does justice to the richness of the migration process. The diverse historico-cultural studies of migration in this volume contribute to a more in-depth understanding of issues that are at the centre of contemporary debates on culture and identity. Dans un monde globalise, les debats autour de la migration et de l'identite (inter)culturelle necessitent une prise en compte des enjeux soulevés par l'auto-comprehension culturelle. Dans ce contexte, une etude des evolutions a long terme des dynamiques identitaires, ainsi que des mises en...
