Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Do you want to change your career? Start a business? Stop losing sleep over a deadline? End your relationship? Or maybe, just live a fulfilling life? Everyone has goals and ambitions in life. But we often don t pursue our inner desires because of one thing: Fear and a lack of self-confidence. In Win Your Inner Battles (previously titled Massive Life Success), I document my own journey of conquering fear and a lack of self-confidence. After years of failure and doubt, I finally had a wake-up call in January 2015. My grandmother, who helped raised me, passed away and I realized that time waits for no one. Whatever you want to do, you have to do it now. It s not the economy, politics, or your personal circumstances that are holding you back. You are the one that s holding yourself back. It s time to win your inner battles and live on your own terms. And in this book, I will take you on the same journey I took to win my inner battles.
