AYDEN S TITANIC: AN 8 YEAR OLDS VIEW (PAPERBACK)

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is the point of view of an 8 year old young man who loves history and the story of Titanic. It is fact based and contains photos both from actual events as well as the authors own drawings of the events as he sees them. It is a book about history and human perseverance against impossible odds and the sacrifices that were faced through it all. It has been scaled down to fit the perspective of a child but the facts and key points are there. If you would like your child to understand what happened that fateful night the Titanic sank but need it to be presented in a simpler way, this book will help with that process. Ayden has put a lot of time into this book and he hopes you enjoy it and learn from it as he has. (c)2017 Ayden Rogalski.
