By Rob Hale

Createspace, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. My Dream, series of books were devised from the mind of Rob Hale and created from his epic novel, My Dream, a Novel of Enlightenment. The six books include - The Devil and Her Evil Henchmen - Biblical Adventures - Espoza, Joe and The Bridge of Life - Short Stories - Maurice, Hidalgo, and Gypsy - Real People and Real Headlines. These books have been written to be read after reading My Dream, The Beginning, which describes how the dream originated and can be read for free at When I completed this book, and put it forth in its present form, it was objected to, on many different levels. Most of the Evil doers contained inside these pages where brought into my dream from the real world, and it seems, no matter how deplorable, and evil a human can be, there are still those who follow their every word as if it were spoken from a higher realm. Some call it a work of fiction, but for me it s the truth. Rob Hale.
