Hachette Children s Group, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. Mind webs, also known as spidergrams or mind maps, are great for learning about the science of living things. In this book you can find out about the types of living things, their life cycles, classification, adaptation, habitat, cells, genes and DNA. With more than 200 illustrations showing how living things work, this series is perfect for visual learners. The Mind Webs series are great revision tools for students at Key Stage 2, and are also excellent for gaining a clearer understanding of how science works.
