Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Remingtons series of story books is a work in progress and plans to be edited and re edited as information evolves from the readers. Please contribute. Although I hold the copyright, I believe Eli would take pleasure in having us all meet around the internet table to improve the story. I will publish in several editions. America s children are raised on those chosen to be remembered as heroes of our great country. That is good. Good citizens need a body of history, myth and legend to sustain the values they wish to instill for future generations. To teach that and to also protect a young vulnerable Democratic Republic there are untold numbers of quiet men and women whose story was never told or changed in a way both to protect the young America and to protect that young America s valued young. It is necessary in a conflicted world to plan as such. Jennie had realized that war has no romance as she and her friends say goodbye to lovers and friends going off to fight a war. Jennie has already prepared at Fairfield Academy and is a doctor ready to serve her duty at the field hospital as she learns surgery skills. The task is enormous and Jennie is faced with the horror of the battle wounds and is overwhelmed. She travels hoe to rest and faces the changes war has made in her little village and the loses suffered as the emancipation is gained through blood. However in so doing one, we have learned in clinical studies, can change and corrupt the course of history. Such is the stories of the Remingtons. How I became interested...
