Reviews

This publication will never be effortless to get started on reading through but very entertaining to read through. It normally is not going to expense too much. I discovered this publication from my dad and i encouraged this book to find out.

The Meridee Winters Music Homework Book Practice Tracker includes: - Staff paper for notating music, song ideas and more - Notebook pages for writing out assignments and lesson notes, complete with a weekly practice tracker - Goal-setting pages - Theory tools like a build-it-yourself blank glossary for theory concepts and circle of fifths chart - A Create Your Own practicing game board - . And more! About the Meridee Winters Music Method: Founded by a former school teacher, the Meridee Winters Music Method was created as a solution to a problem: that lesson and exercise books teach at the rote and recall level, with little room for creativity. There is also a need for great music materials for learners of all styles, including gifted learners, young learners, students that fall on the autism spectrum, those with dyslexia and more. The Meridee Winters Music Method tackles all of these complex needs with her playful, progress-boosting books and activities. Organize, create and supercharge your music lessons with this innovative book, part of the Meridee Winters Whole Brain approach to music education and a great supplement to any series.
