

Tibetan Buddhism from the Ground Up: A Practical Approach for Modern Life (Paperback)

Filesize: 3 MB

Reviews

The publication is great and fantastic. It really is simplistic but surprises within the 50 % from the publication. Your daily life span will be change when you comprehensive reading this article book.
(Althea Aufderhar)

TIBETAN BUDDHISM FROM THE GROUND UP: A PRACTICAL APPROACH FOR MODERN LIFE (PAPERBACK)

Wisdom Publications,U.S., United States, 1993. Paperback. Condition: New. Language: English . Brand New Book. As long as our minds are dominated by the conditions of the external world, we are bound to remain in a state of dissatisfaction, always vulnerable to grief and fear. How then can we develop an inner sense of well-being and redefine our relationship to a world that seems unavoidably painful and unkind? Many have found a practical answer to that question in the teachings of Tibetan Buddhism. Here at last is an organized overview of these teachings, beginning with the basic themes of the sutras--the general discourses of the Buddha--and continuing through the esoteric concepts and advanced practices of Tantra. Unlike other introductions to Tibetan Buddhism, this accessible, enjoyable work doesn't stop with theory and history, but relates timeless spiritual principles to the pressing issues of modern life, both in terms of our daily experience and our uniquely Western world view. This fascinating, highly readable book asks neither unquestioning faith nor blind obedience to abstract concepts or religious beliefs. Rather, it challenges us to question and investigate life's issues for ourselves in the light of an ancient and effective approach to the sufferings and joys of the human condition.
