TALES AND FANTASIES (ANNOTATED) (PAPERBACK)

Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Annotated. Language: English . Brand New Book ***** Print on Demand *****.Two novella length stories and a short one from one of Scotland s best, Robert Louis Stevenson. The Misadventures of John Nicholson is the farcical tale of an unprepossessing yet incredibly unlucky lad from Edinburgh. If looking for an explanation for why he always seemed to be in the wrong place at the wrong time don t look too hard, for superstition steps in with the more ready explanation that he was detested of the gods. The Body-Snatcher is the kind of short story you expect from Stevenson, culled from the one of the grisliest episodes in 19th century Edinburgh, the medical practices of Richard Knox and his two infamous grave diggers, Burke and Hare. Stevenson provides a supernatural twist. The Story of a Lie owes more than a little of its plot to circumstance, but is a lively tale of young love sundered by well-meaning lies and unhelpful fathers. If there is one common theme that binds these disparate, posthumously collected tales it s that lying, both to yourself and others, catches up with you eventually.
