John Wiley Sons Inc, United States, 2015. Hardback. Condition: New. 2nd Edition. Language: English . Brand New Book. The industry standard, full-color guide to practical kitchen and bath design Kitchen and Bath Design Principles is The National Kitchen and Bath Association s complete guide to uniting function and style in these important rooms. This full-color guide is heavily illustrated, with a revised layout and graphic design that presents information more clearly for visual learners. The updated second edition has been expanded to adhere more closely to the standards of interior design, including new information on unity, proportion, scale, and variety, plus a new glossary to clarify unfamiliar terms. Stylistic themes remain a major component, with emphasis on the architecture, furniture, styles, and fashions of each era, and all technical and aesthetic information is presented in clear, concise language. The companion website features a teacher s guide and image bank that facilitate use in the classroom, providing additional examples of design principles in action. The National Kitchen and Bath Association established the standard guidelines for safe and effective kitchen and bath design, and this book is the complete guide to incorporating code and aesthetics from the very beginning. Function is just as important as style in these rooms, so Kitchen and Bath Design Principles teaches readers to: Apply the elements and principles of design to real-life situationsDiscover how best to apply the tools of design in daily business practiceExplore the global and cultural influences reflected in popular stylistic themesTranslate the aesthetics of an era into a workable theme for a kitchen or bath To best serve clients, designers must learn to meet all codes, regulations, and expectations with a balance of substance and style. Kitchen and Bath Design Principles is the industry standard reference, from the industry-leading provider of kitchen and...
