Reviews

This composed pdf is excellent. We have go through and that i am certain that i am going to likely to read again once more down the road. I am just happy to explain how this is basically the very best publication i have go through within my own daily life and can be he best publication for actually.

Bookmarks, United Kingdom, 2014. Paperback. Condition: New. UK ed.. Language: English . Brand New Book. Marx s Capital is back where it belongs, at the centre of debate about Marxism and its purchase on the contemporary world. In recent years there has been an explosion of much wider interest in Capital, after the debate on Capital largely fell silent in the late-1970s. In Deciphering Capital, Alex Callinicos offers his own substantial contribution to the debate. He tackles the question of Marx s method, his relation to Hegel, value theory and labour. He engages with Marxist thinkers past and present, from Gramsci and Althusser to Harvey and Jameson.
