Steven X Davis, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Something is wrong, because the real world is slowly shifting away from reality. It might be a steamy romance cooling into icy animosity, an innocent childhood violently cut short, or just the mangled animal carcasses showing up in the woods every night. Taken from the final months of Acidic Fiction, this anthology collects the fiercest and finest contemporary science fiction, fantasy, and horror stories from Spring 2015. Featuring 14 toxic tales by David Barclay, Sean Benham, M. James Bizzell, R. Y. Brockway, Erin Cole, Alicia Cusano-Weissenbach, Loren Eaton, Joshua Harding, Kiya Krier, Joshua Mannix, Dara Marquardt, Samuel Marzioli, M. B. Vujacic, and Robert Luke Wilkins. These stories, selected and edited by Steven x Davis, contain a fascinating variety of voices and ideas from every corner of contemporary speculative fiction, all with an acidic edge.
