Trafford Publishing, Canada, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In the year 2000, the diabolical plan conceived in 1945 to irrevocably change this world, finally began. Faced with the prospect of extinction - their evil powers eclipsed but the brutalities and horrors mankind has finally mastered and now willing uses upon itself! - the last remaining werewolf and vampire, implement a diabolical plan to create a fearsome new creature of darkness. A wolfpire, who will roam the world at will, creating the kind of terror and havoc that will liberate and empower them, and hasten the coming of the antichrist - the supreme master of all evils. Entangled within this web of sinister intrigue and deceit are the covert CIA operative, Jon Hunter, and a ten year old American, Heather Rogers- the girl deliberately selected and trained by Hunter in a manner that will soon enable her to fulfill evil s vile schemes. Yet they are not the only ones who have plans for Heather Rogers, for good has its own plans, very ancient plans, which include a Tai Chi master, and aged village priest, and a dying Russian girl. Along with others in the CIA, they have no reason to even suspect that they are key players in the opening moves of the secret battle for supremacy between good and evil. Like Heather and her family. None of them are aware of the roles they are destined to play in this unpredictable clash between free will and destiny. An interplay of events, which will one day, determine the fate of this world.
