## BRS Genetics (Paperback)

By Ronald W. Dudek

Lippincott Williams and Wilkins, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book. Widely used by medical students studying for the USMLE Step 1, the Board Review Series (BRS) provides basic knowledge as it relates to clinical situations. BRS Genetics addresses a field that is increasingly taught in shorter courses. Chapters are written in an outline format and include pedagogical features such as bolded key words, tables, algorithms, and numerous illustrations, including a 16-page full-color insert. The book contains nearly 300 USMLE-style questions to help test students memorization and mastery. A companion Website includes a question bank as well as fully searchable text.

### Reviews

*Basically no terms to explain. I have read and so i am certain that i will gonna go through once again once more in the future. I realized this ebook from my dad and i encouraged this book to discover.*
