Berghahn Books, United Kingdom, 2011. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The book is highly impressive in its range, integrating such issues as the impact of the Cuban missile crisis into its account of Franco-American relations and the implications for France's position in Europe. It is also impressive in its command of intricate detail in the technical, economic sphere and in high-level negotiations, as well as in behind-the-scenes maneuvers taking place in parallel to more overt diplomacy. * French Studies Sutton's important work has the merit of making known a whole range of French historiography that, because of not being available in English translation, is not accessible to scholars who do not read French. At the same time, he brings together, in an original manner, the main results of historical research on the role of France in Europe, a theme that is of vital importance still today. * Modern Contemporary France [The author] has written an excellent chronicle of the central episodes of European construction, from the invention of the ECSC to the Maastricht Treaty and beyond, keeping French initiatives, breakthroughs, and missteps clearly in view. He has also made the more recondite economic complexities of the story intelligible to general readers. As a result, Sutton has produced an important overview of European integration that highlights the influence French leaders exerted in building what by the 1990s had become the fundamental structures of the European Union we know today. * H-France Sutton has a feel both for the ongoing manoeuvres of the main protagonists and for the continuities of the broad picture. He keeps the context constantly in geopolitical focus, drawing upon a wide range of reliable secondary sources. [His] scrupulous study will allow both protagonists and antagonists to recognize why the European show...
