Brand New Book ***** Print on Demand *****.This Brat Really Needs The Right Man To Take Charge, Please Scarlett is SO sick of the way people try to control her! Constantly accusing her of acting-out, being selfish, and partying too much. As long as she lives under Sally Anne's roof, she must abide by Sally Anne's rules. But she's young. If she can't have fun now, when will she ever get to? Besides, she knows if she could just get Nolan Cadin, the billionaire that Sally Anne works for, to see her in a new light, then he would certainly trade that tired old model in for a fresh young thing like herself. But how to cook up the right scheme? When corporate travel plans go amiss, Scarlett contrives to find herself aboard a private jet-alone at last with the billionaire man of her dreams. So what if he's that much older than her? And so what if she hasn't told anyone she's secretly a virgin.
