Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Navigating the Grant Industry Handbook will enlighten readers about key grant fundamentals and strategies needed to write winning proposals and further their intellect about how the Grant Industry operates. Ms. Harris uses her years of Nonprofit and Grant Industry experiences as a consultant, Certified Grant Writer(R), grant/peer reviewer and instructor to engage novice through advanced learners to effectively learn Grant Administration operating procedures, identify funding opportunities, translate rfp guideline requirements and construct proposal sections to effectively illustrate your program/project activities to merit grant rewards. The goals of this book and our workshops are to address Nonprofit and Grant Industry standards through administrative practices by providing qualitative tools that encourage and instruct grant seekers to activate current and transitional plans that provoke initiatives that produce strategies to build sustainable operating systems and program models. This handbook is compelling and essential and demonstrates quite masterfully yet is simplistic in explaining how the world of grants works. The passion and insightful understanding of the needs of novice and expert grant writers are clearly defined. As a consultant and educator Fatimoh Harris weaves pragmatic knowledge with didactic conversant insight. Fatimoh motivates and inspires those seasoned and beginner grant writes who obtain this proficiently written handbook. Dr. Sharron Liggins, Ed. D, MSA, MSN, R.N.
