GHOSTWRITING (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Over the course of a career spanning twenty five years, Eric Brown has written just a handful of horror and ghost stories - and all of them are collected here. They range from the gentle, psychological chiller *The House* to the more overtly fantastical horror of *Li Ketsuwan*, from the contemporary science fiction of *The Memory of Joy* to the almost-mainstream of *The Man Who Never Read Novels*. What they have in common is a concern for character and the need to tell a story. Ghostwriting is Eric brown at his humane and compelling best. Irrespective of genre limitations Brown is a terrific storyteller as the present collection effectively proves. All in all an excellent collection of entertaining and well written dark fiction. -Hell Notes British writing with a deft, understated touch: wonderful -New Scientist Eric Brown has an enviable talent for writing stories which are the essence of modern science fiction and yet show a passionate concern for the human predicament and human values -Bob Shaw SF infused with a cosmopolitan and literary sensibility -Paul McAuley.
