FRASER's mission is to safeguard and provide easy access to the nation's economic history-particularly the history of the Federal Reserve System-through digitization of documents related to the U.S. financial system. FRASER preserves and provides access to economic and banking data and policy documents. To this end, various types of documents have been digitized, including: publications of the Board of Governors of the Federal Reserve System, publications of District Federal Reserve Banks, states and speeches of Federal Reserve policymakers, archival materials of Federal Reserve policymakers, government data publications, statistical releases, books and Congressional hearings.
