Reviews

*It in a of the best publication. It really is loaded with knowledge and wisdom You may like the way the blogger write this ebook.
(Prof. Shannon Wehner PhD)*

BULLETIN OF THE WARREN ANATOMICAL MUSEUM, 1910: NO. 1. PATHOLOGICAL ANATOMY; BONES, JOINTS, SYNOVIAL MEMBRANES, TENDONS (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Bulletin of the Warren Anatomical Museum, 1910: No. 1. Pathological Anatomy; Bones, Joints, Synovial Membranes, Tendons Casts of many of his cases of club feet, showing the condition before and after treatment, are in the collection. They can be seen grouped together in the lower part of Cabinet 21 B and 0, pp. 27 and 34, and are described in the section on Club-foot of the bulletin. His death occurred in 1891. In the following pages, no attempt has been made to describe all of the specimens in this division of the collection, but a selection has been made of those which may be regarded as types. The others, of which there are many, usually vary in some slight detail, which would be only of interest to a special student. In general, they show the structural changes in bones, articulating surfaces, synovial cavities, bursae and tendons, which can be illustrated by permanently preserved specimens. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
