Penguin Putnam Inc, United States, 2005. Paperback. Condition: New. Language: English . Brand New Book. An indispensable, sensitive guide for stroke sufferers and those who care for them According to the U.S. Centers for Disease Control, an American suffers a stroke every forty-five seconds. More than 700,000 Americans each year find themselves struggling to recover from this affliction and many hundreds of thousands more are there to help them mend. June Biermann, a stroke survivor, and her coauthor and caregiver Barbara Toohey, authors of the bestselling Diabetic s Total Health and Happiness Book, offer this essential source for those recovering from a stroke and those providing them with support. The Stroke Book offers readers: - Clear explanations of the science of this often misunderstood condition - Information on what to expect at the hospital and in rehabilitation - Analyses of encouraging new developments in stroke therapy, including basic and alternative therapies, and traditional and cutting-edge medications - Advice on coping with complex rehabilitation needs, including adjustments for nutrition, mobility, and everyday living, and on understanding after-stroke emotional and cognitive changes - Suggestions for preventing future strokes - Information on how people recovering from a stroke can reclaim their independence and quality of life and how caregivers can manage their own stresses and sorrows - Heartening words on keeping hope alive with patience and fortitude, and the curative power of humor - Inspiring stories of the stroke and recovery experiences of well-known individuals With stroke now the leading cause of serious, long-term disability in the United States, Biermann and Toohey s optimistic, user-friendly guide to living well after an attack is a vital tool for recovery.
