Loyola University Press,U.S., United States, 2001. Paperback. Condition: New. Revised edition. Language: English . Brand New Book. This booklet gives a short outline of the origins of the devotions to Mary and the saints, the way in which saints are proclaimed today, and the place apparitions of Mary have in the context of the Church. The hope is that catechetical leaders will find here a resource that will help explain the place of Mary and the saints within the context of the life of the Church. Many of the most touching images in the Catholic imagination are those of the Blessed Virgin Mary and of favorite saints. We imagine, for example, the young Mary facing an angel who asks her to make a choice not only for herself but for the world as well or the image of a sorrowful mother at the foot of the cross. We also imagine the saints and their heroic love for God and others: the joy of St. Francis of Assisi preaching to the birds; the sacrifice of St. Maximilian Kolbe giving up his life so another can live. This book gives a short outline of the origins of the devotions to Mary and the saints, the way in which saints are proclaimed today, and the place apparitions of Mary have in the context of the Church. --From the introductionCatholic Basics: A Pastoral Series offers an in-depth yet accessible understanding of the fundamentals of the Catholic faith for adults, both those active in pastoral ministry and those preparing for ministry. The series helps readers explore the Catholic tradition and apply what they have learned to their lives and ministry situations. Includes study questions and suggestions for further reading.
