An account of the over 450 combat missions flown by the author in the Vietnam War. His account of being shot over North Vietnam and living to tell will keep you on the edge of your seat. His stories are filled with dialogue bringing the combat action directly to the reader. His method to overcome boredom was most unconventional as he flew 28 additional missions in helicopters and FAC aircraft. His account of visiting a Special Forces base where he earned his first Silver Star is beyond comment.
