Reviews

*A superior quality book along with the font employed was exciting to see. It is one of the most amazing book i have got read through. You wont really feel monotony at anytime of the time (that's what catalogs are for about in the event you ask me).

FAIRDALE, TEXAS: AN UNFORGETTABLE MEMORY: ITS HISTORY AND THE BURR FAMILY CONNECTION

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.What began as a simple book describing the pleasant, shared memories of cousins visiting grandparents in a long-gone rural community during the 1930s and 1940s soon included a mission to correct decades of widely-held misconceptions and errors concerning Vice-President Aaron Burr and Dr. Timothy Burr. Surprisingly, then, this book is a combination of nostalgic memories and, at the same time, an effort to get the facts straight about the Burrs. Oftentimes we learn that life, seemingly simple, can also be amazingly complicated. This book captures the essence of one of those times.
