This ebook is fantastic. It is actually written in straightforward terms rather than hard to understand. It has been designed in an extremely straightforward way and it is merely soon after I finished reading through this ebook through which in fact modified me, altered the way I really believe.

Thomas Nelson Publishers, United States, 2008. Paperback. Book Condition: New. 211 x 137 mm. Language: English . Brand New Book. The world has changed, and it s going to keep changing. That s no big revelation, but we cling to the fleeting hope that we can return to the gentler, more stable days gone by .especially where our marriages are concerned. But the truth is, we can t, because as the world changes, so do we, and so do our marriages. Let s face it: marriage and the home have altered drastically through the years. Men afraid to be men. Women ashamed of being women. Children unsure of who s in charge. Blended and not-so-well-blended families. Homes that have become battlegrounds. And all of it so unstable, so temporary. In the face of these depressing facts, beloved pastor and Bible teacher Chuck Swindoll offers a refreshing dose of hope and practical help for marriage. His sage advice, based on the Bible and his own fifty-year marriage, shows us how to move our marriages from just surviving to actually thriving. And that target can be hit dead-center if we rely on God and His Word as our marriage counselor, our guide, our glue.
