

The Secret Club That Runs the World: Inside the Fraternity of Commodity Traders

Filesize: 7.19 MB

Reviews

This ebook is definitely not straightforward to start on looking at but really enjoyable to learn. It usually will not charge excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.

Penguin Books Ltd, United Kingdom, 2015. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Kate Kelly, acclaimed journalist and author of *Street Fighters*, investigates the world of commodities traders. When most of us think of the drama of global finance, we think of stocks and bonds. But commodities? Crude oil and soya beans? Copper and wheat? What could be more boring? That's exactly what the elite commodity traders want us to think. They don't seek the spotlight. They don't want to be as famous as Warren Buffett. Their astonishing wealth was created in obscurity, because they dwell in private companies or deep within large banks and corporations. But if the individuals in the commodities boom have gone unnoticed, their impact has not. Prices of raw materials have exploded. Are the big traders jacking up the cost of petrol, food, and essentials bought by people around the world? How did such immense power end up in the hands of a few? In *The Secret Club That Runs The World*, Kate Kelly takes us inside the inner circle that affects so many things we all depend on. Following a trail from New York to London to Dubai, from hedge funds and banks to brokers and regulators, she reveals the fullest ever picture of the men who gamble with our future every day. Kate Kelly, author of the New York Times best-seller *Street Fighters*, covers Wall Street for CNBC. She spent ten years at the Wall Street Journal, where she won a Livingston Award and two Gerald Loeb awards. She lives in Brooklyn with her family.
