Find Your Life Purpose And Plan Your Future Are you happy with the direction of your work Do you sometimes wonder if your career is going the way you want it to Are you really sure, deep down, that the reason you get out of bed every morning and scurry to get things done is because you really want to do what youre doing Do you feel like youve lost control of your growth and future How this Life Planning Booklet Will Help You: - Gain Confidence and Direction At Work - Take Control of Your Career and Professional Development - Grow the Self Motivation and Life Passion to Succeed - Gain Control Over Your Success to Come Find Your Purpose In Life and Grow Today A majority of folks go to work, drudge through the day, and come home depleted for just one thing: money. Im talking about that paycheck on the end of the string that keeps your output continually flowing. Its not so much the motivation from making the money, but rather knowing family, future, and love will always win out. But what if life wasnt so much of a grind anymore What if you could jump out of bed, forget about the snooze button, and really be happy about the day ahead of you This 7, 093 word life purpose planning booklet will help you narrow your career choices down to a group of careers that would best fit your passions. It will not tell you what you should be doing from nine to five. However, it will tell you how you should be doing what you want to do. Brainstorming creativity, done right, is a...
