Reviews

An incredibly wonderful ebook with perfect and lucid explanations. I really could comprehend every little thing using this written e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Tomas Flatley)

AMERICAN/MEDIEVAL

V & R Unipress Gmbh Okt 2016, 2016. Buch. Condition: Neu. Neuware - This volume offers a dialogue with and through the medieval informed by cultural categories of performativity and simultaneity in on-line media, architecture, film, poetry, and social formations. The articles depart from Medievalism Studies and attempt to answer questions such as: How do medievalists, artists, writers, and entertainment industries communicate, replicate, and evoke medieval formations How do national and transnational discursive fields relate to understandings of the medieval in its many unstable states Where are the communal memory sites and what functions do they serve for those who are associated with them Where are the medieval disjunctions and conjunctions of race, ethnicity and time in a settler society And what do place, nature, and landscape have to do with it 237 pp. Englisch.
