**GENTLE RIVER FLOW (PAPERBACK)**

Lulu.com, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Gentle River Flow is a collection of writings, from the sublime to the seeming mundane. Essays on the subject of truth are juxtaposed with writings of an experience driving through a desert storm, letters written to a friend on the subject of the origins of Christianity and brief articles written about the experience of star gazing. Further essays are about UFOs and on the experience of a past life regression. Additional subjects include writings on writers block, God-Talk, dreams, numerology, the human as a divine being, and stories about a stranger who reappears after a twenty year absence to help with a new aspect of a spiritual journey. The finished book offers the word picture of a river. There are places where the eddies are quite rough, and there are quiet pools where the water flows ever so gently. This is a book for casual reading and serious study containing many levels of awareness. Gentle River Flow is for the on-going spiritual journey and the expansion of human consciousness.
