Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Lectures on Tumors From a Clinical Standpoint I therefore had a stenographer take the lectures as they were delivered, and, as the colloquial form has thus been preserved, it is thought to bring a little relief to the hard and-fast lines in which articles on tumors are usually cast. Original discovery has not been attempted; but with knowledge of the fact that the subject is always considered a bugbear by the student, the lectures only aim to impart the current information in a form intended to fix it in the memory.
