## THE INTERMEDIARY (PAPERBACK)

Createspace, United States, 2012. Paperback. Condition: New. Stephen Baginski (illustrator). Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Kirkus Indie Reviews writes: A thriller whose protagonist is as mysterious as the murder he investigates. As he tracks down the murderers, his journey takes him from America to the Bahamas to Europe and, finally, the U.A.E. on the trail of arms dealers, jewel thieves and Arabian princes. The clock is ticking as his every step brings him closer to his target while the list of his enemies grows longer. This high-powered novel is told from first-person point of view, making it easier for readers to engage with a character who would otherwise remain a complete puzzle. His frequent tongue-in-cheek descriptions of the pursuit of his enemies are interspersed with philosophical insights which allow the reader to invest in more than just the book s fast-paced plotline; in ruing the loss of the husband and father he might have been and evoking a...
