Turtleback Books, 2009. Hardback. Condition: New. Turtleback School Library ed.. Language: English . Brand New Book. Read Danica McKellar s posts on the Penguin Blog. The New York Times bestseller-from the author of Math Doesn t Suck and Hot X: Algebra Exposed -teaches girls how to kick pre-algebra butt In her New York Times bestselling books, actress and math genius Danica McKellar shatters the math nerd stereotype and gives girls the tools to ace middle-school math in her unique, just- us-girls style. Now, in her second book, Kiss My Math, McKellar empowers a new crop of girls-seventh to ninth graders-to tackle the next level of mathematics: pre-algebra. Stepping up not only the math but the sass and style, McKellar helps math-phobic teenagers moving up into high school chill out and finally get negative numbers, variables, absolute values, exponents, and more. As she did so effectively in Math Doesn t Suck, McKellar uses personality quizzes, reader polls, real-life testimonials, and stories from her own life-in addition to clear instruction, helpful tips, and practice problems-revealing why pre-algebra is easier, more relevant, and more glamorous than girls think. McKellar is clearly reaching her audience: parents, teachers, and especially girls are asking for more.
